Reference: Information Request – Phase I Property Assessment

Geotechnical Consultants, Inc. (GCI) is currently performing an environmental assessment under Ohio EPA Voluntary Action Program guidelines for the following property:

- **Battelle Property Redevelopment**
Battelle Memorial Institute and Bright Horizons Discovery Center
651 W. Fifth Ave. and 1199 Perry St.
Columbus, Franklin County, Ohio 43201

We are reviewing regulatory databases as part of the assessment, focusing on potential releases of hazardous substances and/or petroleum products. We are requesting a search of any relevant databases under your supervision to determine if potential releases have or may have occurred. We understand that you may charge a nominal fee for recovery of this information, and agree to pay these charges provided that services are completed within 21 days and costs do not exceed \$25.00.

If you have any questions or need for additional information from GCI, please do not hesitate to call. My direct telephone number is **614-839-1259**, or I can be reached by email at mkaminski@gci2000.com. Thank you very much for your assistance with this request.

Sincerely,
Geotechnical Consultants, Inc.

Matthew R. Kaminski, EP
Senior Project Manager - Environmental Services
